

NATIONAL SENIOR GAMES CHAMPIONSHIPS AND EUFLEXXA HOCKEY CLASSIC

TEAM ICE HOCKEY

Men / Women

Sept. 29 - Oct. 3, 2010 | Sept. 28 - Oct. 2, 2011 | Sept. 26 - 30, 2012

ENTRY REGULATIONS

1. Athletes may play on only one hockey team. The only exceptions are goalies, who may play on more than one team, but only one team per age division.
2. Competitors must provide their own equipment, sticks and skates. No rental equipment will be available.
3. The age division of competition will be determined by the youngest team player as of December 31, 2010, not including the goalie. The following age divisions will apply: 50+, 60+, and 70+. For each age division, there is an allowance for a younger goalie. The allowances are as follows: Age Division Age of Goalie (as of 12/31/10) 50+ (45) 60+ (48) 70+ (50)
4. The men's age divisions will also be divided into two skill divisions: elite and recreational. The team captain will be responsible for selecting their team's skill division. The NSGA reserves the right to combine skill divisions for competition purposes and to reassign teams following completion of pool play.
5. Team rosters are limited to 20 persons, including non-playing bench personnel. All registration and team rules apply to non-playing coaches, non-playing captains and nonplaying bench personnel. The gender and age of non-players will not affect the age division of the team. Only individuals listed on the roster will have access to the bench area and be eligible to receive awards.

REGISTRATION INFORMATION

(Per Team) - Online \$1,000, Mail-in \$1,200. Register online at www.nsga.com

FORMAT

1. Tentative competition format will be pool play, with the results used to seed all teams into a single elimination bracket. Format is subject to change based on number of entries. Each team will be guaranteed a minimum of four games. During pool play, teams will earn points based on the following formula: WIN = 2 points TIE = 1 point. Seeding for single elimination will be based on total points. Ties for seeding after pool play will be broken on the following basis:
 - a. Head-to-head competition
 - b. Goal differential (Total goals for - total goals against. A higher number is better.)
 - c. Coin toss
2. During single elimination, games tied at the end of regulation will be decided by a five-minute sudden death overtime period. Games tied at the end of sudden death will be decided by a five-shot shoot-out except for medal games, which will be decided by five minute sudden death overtime.
3. Each game will consist of three stop-time periods. They will be 10, 12, and 12 minutes long, respectively. If one team has a six-goal lead at any point during the 3rd period, the clock will run continuously until the end of the game. The exception is if the lead shrinks to two goals, the clock will revert to stop-time. Sudden death overtime periods will be stop-time. 14
4. Teams scheduled to play outside of their age and/or skill division must play these games in order to be eligible to advance. However, these games (played against teams from another division) do not count in the standings for seeding purposes.
5. Individual medals will be awarded to 1st through 4th place teams.
